GENERAL PLAYING RULES

SSA organizes teams for players ranging from U4 to U19 during both the fall and spring seasons. U4 through U8 teams compete in a league made up exclusively of SSA teams. For U9 through U19, teams with sufficient player registration participate in leagues organized through the North Central Soccer Alliance (NCSA), the Fort Worth Youth Soccer Association (FWYSA), or any other league the SSA Board finds suitable. U9 through U19 does require travel (not ALL games will be played in Stephenville).

Players are grouped by gender and placed into age divisions according to their age as of December 31 of the current soccer year, with teams assigned through a random draw roster process. The soccer year runs from September 1 to August 31.

Games typically take place once a week, usually on Saturdays, but Sunday or weeknight games may be scheduled for makeups or to accommodate other scheduling needs.

Teams have the option to stay together from season to season. Players who return for consecutive seasons can elect to remain on the same team.

Players who did not participate in the most recent season, but did participate in the season prior, *can request* to return to their former team. These requests will be granted if: (1) the team the player is requesting to return to has available roster spots, and (2) there are enough players in the player pool for that age group (excluding the requesting player) to form the appropriate number of teams, as determined by the commissioners to be in the best interest of all players in that group.

The commissioners for any age group have full discretion in deciding the appropriate number of teams for an age group.

Stephenville Soccer Association, Inc. (SSA) follows the rules and guidelines established by North Texas State Soccer Association, Inc. (NTSSA), United States Youth Soccer Association (USYSA), United States Soccer Federation (USSF), International Football Association Board (IFAB), and Fédération Internationale de Football Association (FIFA).

BRIEF SUMMARY

FIFA is the global governing body for soccer, responsible for overseeing the Laws of the Game and ensuring consistency worldwide.

IFAB creates and maintains the global Laws of the Game.

USSF enforces those laws and provides oversight for soccer in the U.S.

USYSA oversees youth soccer in the U.S. and works with the USSF to ensure proper implementation of the laws at the youth level.

NTSSA is a regional entity under the USSF and USYSA that implements the rules locally while maintaining alignment with FIFA, IFAB, USSF, and USYSA standards

While adhering to the guidelines set by NTSSA, USYSA, USSF, IFAB, and FIFA, SSA implements specific rules and adjustments for each age division to support age-appropriate rules that enhance both enjoyment and functionality for players and families in our organization. As children grow, field sizes and rules evolve, progressively aligning with the standards of competitive soccer worldwide. The following is a summary of the playing rules for each age group. If you have any questions, concerns, or would like to suggest changes, please email our SSA board at info@stephenvillesoccer.com.
